RE: Sponsorship Opportunities

Dear Sisters, Brothers, Siblings:

Labor union women are agitating for a better Texas, shaking up spaces to lift up a fair shot agenda and give women our rightful share of power. The annual Texas AFL-CIO Women's Summit draws hundreds of labor union women from across the state to create a space dominated by women ready to gain new knowledge, tackle key issues, and share experiences.

The Texas AFL-CIO Women's Committee invites you to sponsor members to attend the 2026 Texas AFL-CIO Women's Summit, held Friday, Nov. 20 - Sunday, Nov. 22.

Under the theme "Uniting and Leading with Our Voices" attendees will connect with women across the state, meet dynamic speakers, share ideas, and attend workshops about leadership training: public speaking, organizing, women's health, equal work, and mentorship.

Regular registration tickets to the conference are \$150.00 (including lunch and a t-shirt). Register early before October 14th at \$125.00 per ticket. Retirees and College Students registration price is \$75.00 per ticket.

Please visit texasaflcio.org/women for online registration, hotel room block and upcoming summit information.
